A Journey Through the Holy Week

Holy Week begins with Passion (Palm) Sunday. We reflect on how fickle humans can be. On one hand the people praised Jesus; then they turned around and condemned him to death on the cross. Are there times when we have done something similar? In our diocese, we celebrate the Chrism Mass in Nelson. All are invited to attend. Even if we're not able to go, we can reflect on how God's grace is conferred upon us through the Oil of the Sick, the Oil of the Catechumens and the Chrism Oil. Priests also renew their vows at this Mass. It is special day that we pray for our priests. On Tuesday and Wednesday, we reflect on the Scripture readings as Jesus journeys ever closer to His Passion.

Lent ends and the Easter Triduum begins with the Holy Thursday Mass, which commemorates the Last Supper when Jesus instituted the Holy Eucharist. Even though Good Friday is a very solemn day, it is called "good" because it is the day that Jesus saved us from our sins. It is the only day of the year that Mass is not celebrated. Instead, a service is held at three o'clock. On this day, we fast, abstain from meat, and journey with Jesus through his passion and death.

On Holy Saturday, the holiest feast of the year, the Easter Vigil is celebrated. We worship Jesus as the glorious Light of the world, listen to the story of our salvation, renew our baptismal promises and receive the Lamb of God, who has taken away our sins, in the Holy Eucharist. Easter Sunday is a continuation of the celebration of Jesus' resurrection. If we journey through Holy Week with great reverence, we will be able to enter the Easter season, praising God with great joy and hope!
