REFLECTION:

Victory is won, Christ is Risen, Alleluia!

Lord Jesus Christ, please shine the light of your resurrection upon us, that each of us may see ourselves and each other as our Father in Heaven sees us.

During the Paschal mysteries our Beloved cried out, hung His adorable head and died. What hurt Him more? The nails? Or knowing despite the loss of all His blood and His life, that a great many of those He created would forever be lost by their free choice? The Virgin Mother, The Immaculate Conception, fell at the foot of the Cross, desolate, pierced through her soul. What hurt her more? The death of her son? Or sharing in the eternal heart break of her Lord at the loss of all those He died for with unfathomable divine love, a love she shares through her Immaculate Heart?

By the glorified wounds of Christ and His resurrection, the Lord has for the sake of freedom, set us free! Free from the malice and evil in us that necessitated His great suffering and sacrifice. By Him, we can walk in His light. By His power our hearts and minds can be changed. Let us ask Him to wash us in His Precious Blood and strengthen us by the Holy Spirit that we may become the sons and daughters He intended; and thanks be to God eternally, who raised Jesus from the dead.

Catholic Catechesis:

He is risen!

One thing is certain, if Jesus had not risen from the dead and appeared to his disciples, we would never have heard of him. Nothing else could have changed sad and despairing men and women into people radiant with joy and courage.

The reality of the resurrection is the central fact of the Christian faith. Through the gift of the Holy Spirit, the Lord gives us "eyes of faith" to know him and the power of his resurrection.

The greatest joy we can have is to encounter the living Lord and to know him personally. Our Lord has risen, and we have seen him!!

Do you celebrate the feast of Easter with joy and thanksgiving for the victory which Jesus has won for you over sin and death?
